

HOW TO ORGANISE A CHEER WE GO FOR YOUR STUDENT

Cheer We Go® is a new, creative and meaningful way to celebrate or support a Student with a heartfelt collection of voice messages from a group of their class friends or family members. Whether it's during a challenging time like illness, leaving the school or a student going through a hard time, **Cheer We Go** makes it super easy for you as the organiser to create a memorable group gift that is highly personal, very affordable, and simple to deliver - perfect if you're a **busy Teacher!**

Your Role as the Cheer Leader

As the Teacher Cheer Leader, you'll be organising the Cheer Squad (fellow class mates and other teachers) to create a memorable and thoughtful gift for your Superhero Student (but thankfully for you, it's super simple, as we do all the heavy lifting!)

Here's how:

- 1 Set Up the Cheer We Go Collection**
 - Visit cheerwego.com and create a collection for your colleague.
 - Add the Superhero (your Student) by entering their details, and you'll generate a link to record it in class. Or you can share with the Cheer Squad (children's) parents to do at home.
- 2 Select your Cheer Squad**
 - Share the link or QR code via your usual communication channels such as email or WhatsApp (or print QR code & send home)
 - Explain the goal: Each student contributes a short or long voice message - anything from well wishes to funny stories or something to make them smile.
- 3 Inspire Participation**
 - Spend some time explaining why you're all recording these messages and how kind words can keep you all connected and show support.
 - Provide examples to make it easy for Students to get started:
 - "I'm really missing you because"
 - "You won't believe what happened this week at school"
 - "I really need to update you about"
 - Encourage creativity: include cheeky anecdotes, inside jokes, poems, singing or maybe a group class 'cheer' for added memory making!
- 4 Choose a Deadline for Submissions**
 - Clearly define a deadline to ensure the collection stays on schedule.
- 5 Wrap Up & Deliver the Final Collection**
 - Once all messages are submitted, add an optional intro/outro or transcription to read, if desired and then hit WRAP UP.
 - Cheer We Go will compile the messages into a polished single MP3 collection.
 - Present the gift as a link or QR code in a card, or email - it's a keepsake your fellow Student can download & treasure forever.

Why Choose Cheer We Go?
